Adrian: What do you make of Op Wisconsin? People have started reporting on it but it doesn't seem like much is happening
me: totally opposed
me: will never happen
me: not going to get into partisan fight
me: even if one side is wronger
me: we have priorities, as well.
Adrian: right
Adrian: I mean, it seems like a repeat of the westboro thing
me: yes
me: well
me: not exactly
me: there are actually some Anons who support this
me: but none of the influential sorts
Adrian: right
me: an op against Koch brothers is in works
me: not by Anon proper
me: but by someone who is high within Anon and Project PM
me: neither org is involved itself
Adrian: not associated with Op Wisconsin, then
me: I don't think so, no
me: although
me: Koch's connection, having been revealed, probably contributed to that decision
me: but there's no traction
me: people are pretty intent on finishing up with HBGary and pursuing revolution elsewhere
Adrian: Yeah. That's what I meant by similar to opwestboro
Adrian: in that some media people just picked up the press release
me: gotcha
me: but the first press releease
me: I think was written by them
me: it did spawn an opwbc channel
me: but that was knocked off pretty quick
Adrian: do you think the person who's running an op against Koch would be interested in talking to me?
me: yes
me: one sec
me: adrian.chen@gmail.com, right?

Adrian: adrian802@gmail.com
Adrian: sorry
me: k
me: okay, he'll e-mail you soon
me: guy runs a group called Magnanimous
me: sort of Anon-attached
Adrian: cool, thanks
me: np
